

Program Rules: **10% Discount** on your Next Project

Referral Program Conditions

- **Eligible Referrals:** Referred contacts must be new to Leger, conduct quantitative research, and have not worked with Leger within the past two years.
- **Discount Details:** A 10% discount will be applied to the referring client's next project and must be used within 12 months.
- **Maximum Value :** The discount is capped at \$2,000 per project.
- **Exclusions:** This discount cannot be combined with other promotional offers or applied retroactively to ongoing projects.
- **Unlimited referrals:** Each valid referral earns an additional 10% discount, which can be applied to future projects (a maximum of 10% per project).
- **Non-Transferable:** Discounts must be used by the referring client or their research team.
